TYPE 2

206!

Almost 28000 pics (half of all) Average = 710 pic in each class

→ 72%

TEST!

NEW 2000 Pics Downloaded & Cleaned Result → 60%

WHY 60% ? → we looked at wrong answers

TEST!

Cherry Tiggo

KIA Sportage

JAC S3

The network Considers SHAPE more than DETAILS

- Visualize last layer Filters → Why details are not important in network
- Collecting larger dataset
- Cleaning pics better!
